Central American families and children keep flocking to the U.S.-Mexico border. The devastation produced by two recent hurricanes and the chronic structural problems in Honduras, Guatemala, El Salvador and Nicaragua keep pushing people out of their countries. The constant waves of immigrants, especially unaccompanied children, represent a challenge for practitioners, advocates and policymakers working to protect immigrants' rights. This panel will bring the human rights perspective to the discussion of immigration policy in the United States.

MODERATOR:

Luis Guillermo Solís, *Interim Director, Kimberly Green Latin American and Caribbean Center, Florida International University, and former President of Costa Rica*

PANELISTS:

Blaine Bookey, *Legal Director, Center for Gender & Refugee Studies, University of California Hastings College of the Law*

Jose Miguel Cruz, *Director of Research, Kimberly Green Latin American and Caribbean Center, Florida International University*

Juan Carlos Gomez, *Associate Clinical Professor and Director of the Carlos A. Costa Immigration Human Rights Clinic, College of Law, Florida International University*
